

DDD-PI-022

TO: DD Provider Agencies

FROM: Sandi Noble, Director
Developmental Disabilities Division

DATE: June 18, 1991

SUBJECT: Monetary Reinforcers in Client Programs

It has recently come to the attention of the Division that there may be confusion as to whether or not the use of monetary reinforcers in a clients' program may be seen as an allowable cost.

This communication is to inform you that the use of monetary reinforcement for such client programs is not an allowable cost through the rate setting process for DD Services.
