

## **North Dakota Association of Community Providers**

### **PUBLIC POLICY PLATFORM 2011 – 2013 BIENNIUM**

#### **Legislative:**

1. We support the Governor's request for 3% for each year of the biennium.
2. 7.65% increase in the benefit multiplier to cover the increasing costs of health insurance.
3. \$1.46 an hour market adjustment for all staff
4. Continuation of funding for the critical needs of individuals who are medically fragile and / or behaviorally challenged
5. Transition from Developmental Center to the community, including increased community capacity development through use of flexible funding mechanisms (e.g., DD Loan Fund)
6. State set-aside for digital imaging
7. Increased corporate guardianship capacity

Draft 12-14-10
