

Mark Coppin, MS

Mark was a classroom teacher until 1992 when he became Director of Assistive Technology and Director of IT. As Director of Assistive Technology, he coordinates the provision of assistive technology services for the Anne Carlsen Center in Jamestown, ND.

He provides evaluations and consultation services throughout North Dakota. Coppin has attended and presented at state, regional, and national conferences on such topics as technology and teaching, special education, assistive technology, iPad and iPod touch, and autism. He holds bachelor degrees in speech communications, special education and a Masters degree in Educational Media Design and Technology.

Mark is also a certified ATP (Assistive Technology Practitioner) through RESNA. In 2009, Coppin was chosen as an Apple Distinguished educator. He currently serves on the advisory board for the Apple Distinguished Educator program. Coppin is certified through RESNA as an ATP (Assistive Technology Professional).
